One package, more choices
Yours is a small business, but you don’t have to settle for just one health plan. Now you can offer your employees a choice of eight plans, thanks to Chamber BlueOptions. Chamber BlueOptions is a package of small business health plans created just for Maine’s state, regional and local chamber members.

A variety of options
Chamber BlueOptions is for small businesses with two to 50 employees. It offers different health plans with different levels of coverage:
- Only 60% of your eligible employees need to enroll (most health plans require 75%).
- Each employee can choose the plan that best meets his or her needs.
- Every plan includes coverage for doctor visits, preventive care, hospitalization, emergency care and outpatient care.
- Plans come with easy-to-use online tools for you and your employees.

Big savings with Anthem’s new tiered plans
With Anthem’s Maine HMO Tiered Options, it’s a win-win for both you and your employees. Our new tiered plans for chamber members can help your company save around 13% compared to the same in-network benefits on a PPO plan. And your employees can save 10 to 15% on their premiums plus get discounts on their medical care. It’s not just another HMO – it’s a better HMO!

More savings with SmartShopper and Site of Service
Prices for the same quality health services, like health screenings and out-patient surgeries, can vary by hundreds to thousands of dollars depending on the location. With SmartShopper, employees can get help finding lower-cost options when their doctor recommends a medical procedure or service, such as an ultrasound or MRI, so they can save money and earn cash rewards! And with Site of Service, your employees benefit by having much lower copays on services such as labs and imaging.

Rewards for healthy behaviors
Through our health and wellness incentive package, employees and their covered spouses or partners can earn up to $200 in health rewards cards for getting and staying healthy. Incentives include:
- $100 for getting a yearly flu shot and a preventive wellness exam. When both are completed — in any order — two $50 health rewards cards will be issued.
- $50 for completing the online tobacco-free certification.
- $50 for completing an online health assessment.

Give your employees the Anthem Whole Health ConnectionSM
By simplifying how our medical, vision, dental, life and disability plans work together, we can offer you a more complete care package at an affordable cost with less hassle.

Through Anthem Whole Health Connection, we get claims and clinical data from doctors, eye doctors, dentists and pharmacists. For members who have more than one of our products, we’re able to create more complete health profiles that we can share with their doctors. The collected data helps us identify gaps in care, while helping doctors deliver better, more informed care.

And all of our Small Group medical plans include pediatric dental and vision essential health benefits, as well as exam-only adult vision coverage.
